

UNIVERSITY OF RICHMOND
FOUNDED 1830

October 10, 2008

Dear Ms. Postow,

I cannot thank you enough for creating the RuthiPostow Staffing Award in Business. This scholarship has made such an impact on my studies at Richmond. Thank you so much for your support. Thanks to your generosity, I am able to participate in a study abroad program for the semester in Beijing, China. It has been a fantastic experience and I have been able to immerse myself in both the language and the culture.

The past few weeks in China have been exciting and challenging. I am working towards my major in Marketing and International Business and minor in Chinese by taking both business and Mandarin classes. I've also enjoyed visiting the sights in China and traveling throughout Asia. I hope to return here to work after graduation so it has been an invaluable experience!

Again, thank you for providing me with financial support to continue my studies at the University of Richmond. I can assure you I will continue to uphold the strong character of a University of Richmond student and keep the university traditions a part of my life. Thank you again for this special opportunity, and I hope to see you this spring at the Scholarship Luncheon!

Sincerely,
Lindsay Rumer
